

The Throne of Paris

Grand Vacation Company is delighted to announce the recent acquisition of the **Royal Regency** resort in Vincennes.

This is yet another industry-first and a major plus for Grand Vacation Club members. Vincennes is undoubtedly one of the most sought after residential areas of Paris and this resort has every bit of style and regalia you have come to expect from a GVC resort.

Bearing a title fit for its noble connections, the Royal Regency is well placed in an area so desirable that it once seated the throne of Paris.

This regal neighbourhood is home to Le Chateau de Vincennes, residence to many former kings and queens, which stands in the beautiful gardens of Le Bois de Vincennes, the city's largest park.

With so many beautiful places of interest in Vincennes you could be tempted never to stray too far from your resort. Within easy walking distance are the 19th century Parisian wood, Bois de Vincennes and Daumesnil Lake. There is the opportunity to take a boat tour of the picturesque lake and its two small islands and perhaps stop at one of the authentic bistros for lunch.

Two other key attractions in the area are Vincennes Zoo, which houses over a thousand animals and is also home to Grand Rocher – an artificial rock that offers superb views of Paris from its pinnacle. And the big traditional funfair, Foire du Trône, has thrilling roller coaster rides such as the 'King' to keep your adrenaline flowing.

The resort is situated on the eastern side of Paris and is just a short metro ride from the heart of this romantic city as well as being conveniently located for trips to Disneyland Paris. While Disney can offer you endless hours of fun, Paris flaunts itself as the epitome of haute couture – overflowing with chic and grandeur. Satisfying all tastes and desires, you'll have the choice of exquisite boutiques, a vibrant theatre scene, varied night-life and beautiful sights. Or you could simply spend time whiling away the hours in the city that made lounging over coffee an art form.

A relaxing sauna and residential lounge facilitate the magnificent hotel, which has 48 tastefully decorated and spacious city apartments. Accommodation ranges from studios to three bedroom apartments – comfortably sleeping up to eight people.
